MINUTES

None at this time.

367. To report on matters arising from the minutes of meeting held 29th October 2018 not itemised on this agenda.

It was noted that the minutes of the last meeting, accepted at the Full Council meeting of the 7th November 2018, did not include the decision to change the Concessionary Price Band for those aged over 60 to State Retirement Age.

This was discussed once again, including information relating to the now non-means tested Passport to Leisure for over 60's as administered by Calderdale MBC with a review at the next meeting of the committee.

The Friends have been invited to be involved with the Hebden Bridge Film Festival and would be hosting a screening.

The Friends continue to screen features every two months and would also be hosting a poster sale on the 9th March and holding an AGM on the 30th March. The Making Friends Project continues to attract new attendees.

The Friends were reminded of the donations made to them by Hebden Royd Twin Towns and that when the expected visits are planned/announced that the Friends should make arrangement to welcome them to the Picture House.

- 369. BOX OFFICE FILM TICKET PRICES**
The Picture House Manager reported on the review of ticket prices and the actions taken in line with previous reviews. Competition analysis and discussions with the ICO had helped for an opinion which was endorsed by the Committee Chair, Cllr Pat Fraser to ensure the changes had taken place swiftly.
Discussion about Kiosk Sales, EPOS and average spending at the kiosk also took place.
- 370. CARD PAYMENT CARD FACILITIES**
The Picture House Manager explained a review, triggered from the last review three years ago, had taken place and it was clear, because of several factors (new banking charges, loss of cash points in the town and increasing time needed to count and bank takings) that accepting debit cards at the Picture House was needed. This was communicated to the Committee Chair who was in agreement.
Since introduction the system had worked well at the box office. The roll out would be judged after 6 months with consideration then given to accepting cards at the kiosk.
- 371. CHANGES TO PROGRAMMING STRANDS**
This information was to note as the changes had already been made.
It was commented that some strands may return in the future, 35mm Reel Reels was already being considered for reinvention when a BFI Season of re-releases of classic films on 35mm is launched where had picked prints are made available.
- 372. FILM PROGRAMMING AND SCREENING REQUEST POLICY**
This documents are viewed to be necessary as greater numbers of Charities; interest groups and individuals are approaching the Picture House to screen their features. The policy strengthens the reasoning behind the process and why we say no to an approach.
It was **proposed** by Councillor Needham
Seconded by Councillor Stow
Resolved: to adopt the policy and circulate and place on the HBPH website.
- 373. STRATEGIC BUSINESS PLAN 2019-21**
The Picture House Manager outlined the sections that had been removed from the plan (Risk Analysis, Health & Safety and Stakeholders), the removal of programming strands recommended changes due to completion of the programme and the addition of a business description and executive summary.

Discussion took place regarding the structure and if the plan was strategic or a business. Cllr Stow expressed the need for clear headings, these could include, heading, Aim, How and Achievement.

Cllr Needham was looking for a clear indication on the direction of travel, the 'big' aims that the management committee wants to see and how they intend to

reach that target and ensure that recommendations were followed to conclusion. Cllr Needham used Staffing as an example.

The overall theme of the discussion was how to allow the Committee to support the Picture House in the way that it is needed. Cllr Needham suggest a small group to develop and produce a more detailed executive summary, including financial information and build the case for the identified aims.

It was **proposed** by Councillor Needham

Seconded by Councillor Phillips

Resolved: to form a smaller working party comprising Cllrs Fraser and Needham along with the Picture House Manager and the Town Clerk to identify the business imperatives and to action these elements and to give the Picture House the support that it needs to deliver them. The group should also consider a template for a business plan for the future and agree it.

Meeting finished at 9.13pm.
