- 50. Matters arising from Minutes of Meeting held 28th March 2018 not itemised on this Agenda None were noted.

51. NALC STRATEGIC PLAN

The consultation document was discussed with points raised by the committee. It was **proposed** by Councillor Stow **Seconded** by Councillor Patient **Resolved:** that the following points be communicated to NALC:

- Given the structure of Town & Parish Councils the time given to reply was not adequate. Consideration regarding the time of year would have been helpful given the requirement under law to hold the Annual Meeting of the Town Council.
- Under section 9, Locality is encouraged as a concept. HRTC would like to see a stronger following of the principles and not just the use of the word. HRTC sees the 3rd Sector as being very important.
- Stronger working relationships with the voluntary sector should be encouraged, especially in disadvantaged communities. More emphasis should be placed on their role and how Town & Parish Councils relate to them.
- HRTC would like to see significantly improved training in the sector. Our County Association appears to focus on those newly qualified or elected

individuals and consequently progression in training is lacking along with the use of modern techniques.

52. STANDING ORDER REVIEW
It was proposed by Councillor Stow
Seconded by Councillor Patient
Resolved: to adopt the revised standing orders altering them to be gender
neutral and to include an amendment to section 3i of the Standing Orders as follows:

"A person shall raise their hand when requesting to speak and stand when speaking (except when a person has a disability or is likely to suffer discomfort). The Chairman and Deputy Chair need not stand if already seated in an elevated position. The Chairman of the meeting may at any time permit a person to be seated when speaking."

Note: Cllr Tricket left the meeting.

53. MAYORS FOR PEACE

The Clerk outlined that this body was supported by the Town Council, which was a member, but the direction on involvement lie with the Town Mayor. Cllr Stow, the Town Mayor, spoke in favour of the body and hoped that HRTC could support issues such as Post Traumatic Stress Disorder (PTSD) as part of its membership.

The committee discussed associated subjects including Mental Health, Trauma, Hiroshima Day and Holocaust Memorial Day with the Mayor agreeing to contact Mayors for Peace and look as how HRTC can have greater involvement.

In the future this could include setting an annual budget.

54. UPDATES

The Town Clerk advised verbally to the committee the positon in the following areas:

- Quality Parish Status the application still remains unassessed by YLCA. It was agreed to write to them forcefully asking for this to be addressed.
- GDPR the Town Clerk advised that actions as agreed had been completed. The use of councillor emails was discussed and it was decided that all councillors must use their HRTC provided email address as their method of communication as a Town Council and this should be reinforced at the next meeting of the Full Council.

- Calderdale MBC Service Support the committee discussed the Hebden Bridge Tourist Information Centre agreeing that Cllrs, Boggis, Patient & Stow continue to develop a proposal for council to adopt and be presented to Calderdale MBC. The Town Clerk should develop a timeline, including the 23rd October as a target date for submission to CMBC, and a draft business plan for consideration. To support the initiative, especially associated with staff and TUPE Cllr Needham would support the work.

• Disability Access Forum – the Town Mayor would be attending their next meeting where it was hoped arrangements of the group's position as a working group of the Town Council would be agreed.
