Cllr Fenton - Hebden Bridge Group Practice Patient Participation Group.

Very positive meeting with new Practice Manager Rosie Duke acting as chair of the group.

The Practice is now fully staffed with 10 GP's, 2 nurse practitioners plus physiotherapists, dieticians, a podiatrist, social prescribers and a musculo-skeletal team.

A new website is being developed, and facebook information pages are soon to be launched. They remain aware of those that do not easily access electronic information and will continue to communicate in traditional ways i.e. Valley Life.

It was confirmed that Luddendenfoot would soon reopen and that enhanced hours are being considered for surgeries but have yet to be finalised.

Challenges are still faced regarding appointments with the practice continuing to work over capacity and having to deal with 800 phone calls on an average Monday and 600 phone calls for every other day of the week.
