\*Where the estimated total value (including VAT) is below these thresholds, but exceeds £30,000 (after 21 December 2022), a council is required to advertise the opportunity on Contracts Finder if an open invitation to quote/tender is published. If specific firms are invited to quote it is not open to wider competition, the opportunity does not have to be advertised on Contracts Finder (Public Contracts Regulations 2015, Reg. 110(5)(b)).
